ABOUT US

Infigo Holdings (Pvt) Ltd is a dynamic Sri Lankan furniture and interior design solutions provider headquartered in Colombo 02, delivering modern, customized, and scalable furniture and interior design solutions for residential, commercial, and large-scale development projects.

Since our inception in 2019, Infigo has grown steadily by focusing on what matters most—quality craftsmanship, functional design, customer-centric solutions, and value for money. Our product portfolio spans office, home, industrial, and bespoke furniture, supported by innovative design thinking and environmentally responsible practices.

We serve a diverse client base through combining engineering precision, design aesthetics, and project execution excellence to meet evolving customer expectations across Sri Lanka.

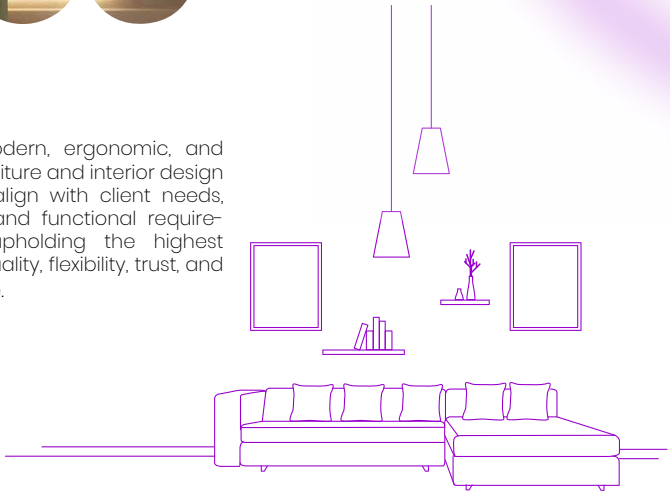
VISION

To become a leading Sri Lankan furniture and interior design solutions provider, recognized for innovation, customization, quality, and reliability, delivering furniture that enhances spaces across all scales of projects.

MISSON

To provide modern, ergonomic, and customized furniture and interior design solutions that align with client needs, project scale, and functional requirements—while upholding the highest standards of quality, flexibility, trust, and long-term value.



CHAIRMAN'S MESSAGE

At Infigo Holdings, our journey is driven by a commitment to build lasting value through quality, innovation, and integrity. As Chairman, I strongly believe that sustainable growth comes from disciplined execution,customer trust, and continuous improvement.

Drawing from my experience in leading large-scale engineering, energy, and infrastructure ventures, my vision for Infigo is to position the company as a trusted furniture and interior design solutions partner—capable of delivering customized outcomes for residential, commercial,and institutional projects alike.

We remain focused on strengthening our operational capabilities, embracing modern manufacturing technologies, and developing long-term partnerships that allow Infigo to grow responsibly while delivering consistentvalue to our clients.

Chathura Weerasinghe
Chairman

CEO'S MESSAGE

Infigo Holdings represents a powerful blend of design creativity, operational discipline, and customer-focused execution. As General Manager, my focus is on transforming ideas into functional, aesthetically refined furniture and interior design solutions that perform across diverse environments.

With experience in managing complex projects and scaling operations across industries, I am committed to ensuring that Infigo delivers reliable timelines, customized solutions, and consistent quality—from single bespoke pieces to large multi-location projects.

Our team, technology, and partners work together to ensure that every Infigo solution reflects precision, durability, and thoughtful design.

Danuke Weerasinghe
Chief Executive Officer
